Bangor Area High School Bands

Slater Band Boosters' Thomas C. Teel Memorial Scholarship

Eligibility: Graduating students who have participated in any of the BAHS Bands who are pursuing a form of post-secondary education.

The family of Thomas C. Teel provided the following statement:

"Thomas C. Teel was the father of two daughters. His daughters achieved high academic honors and were involved in many extracurricular activities. As a parent, Tom supported his daughters in many ways. Tom attended Parents' Nights to meet his daughters' teachers. He would sit in the front row of the auditorium during concerts and plays, he was found standing on the sidelines during softball games, and he was always eager to work in the refreshment stand during football games to help the Band Boosters raise money, which directly supported his daughters' efforts in the band. These are just four examples from countless acts of encouragement and support that he as a parent provided his daughters. Tom made many sacrifices for his daughters that would be too numerous to mention here. But, he was always there for his daughters."
