

Dear BASD Music Department Students and Families,

Bangor Area High School will be implementing the newly adopted Program of Studies beginning with the 2019-2020 school year. Information about this new program may be found on the district website. As part of this new system, many of the musical ensembles offered at BAHS (9/10 Grade Band, 11/12 Grade Band, 9/10 Grade Choir, 11/12 Grade Choir, and Chamber Choir) will now be full block courses that meet every day for the entire school year. These courses will each be worth two (2) elective credits. Students who participate in both Band and Choir should keep this in mind when planning their high school schedules.

In order to assist with the course selection process, the following table has been created. Please utilize this outline when determining which courses to take in which year. This suggested schedule will fulfill the school district’s requirements of 4 English credits, 4 Math credits, 4 Science credits, 4 Social Studies credits, 1 Wellness credit, and 13 Elective credits. Additionally, by following this schedule, a student would earn 3 credits of Foreign Language. Please understand that not all students’ schedules will necessarily follow this table exactly, but it may be used as a template to ensure that all credits are earned while still participating in both Band and Choir.

Please feel free to contact Mr. Di Minico or Mr. Hahn with any questions. We would be happy to assist with making your high school years as successful as possible!
